Top priority is given to show homes. In the event that a puppy has show potential that puppy can be placed in a show home.**

**Deposits are not refundable and will be taken after the litter is 2 weeks old, we require half of the total sale down to hold the puppy.
Pet puppies are chosen for suitable homes by me. I will choose the right puppy for you and your family depending on the puppy's personality and temperament. I will keep in mind your choice of sex and color.**

**If I decide you will not make a suitable Boxer owner, I reserve the right to return your deposit for any reason and cancel the sale of your puppy.
I do not quote prices over the internet; I will discuss this by a phone call.**

All pet puppies are placed on spay\neuter contracts and AKC registration is limited. Puppies are micro-chipped and this is also included in the purchase price. We give a limited thirty month health guarantee with some altercations that will be discussed during the interview process.
